

Here's my list of 15 great websites for writers. Click on the links below to check out the resources on each site for yourself. Thanks to all of these organisations for making my writing life better. There's a UK bias, so I've put a link to a list from an American writers' website at the bottom of this post. Feel free to pass this on to anyone who needs it.

Hope they're useful! Happy writing,

Lou xx
